

# MERIDIAN UNO

60" x 31" x 20"

Named after the meridians of our body—the paths along which our energy flows—the collection also brings to mind the meridian (or mid-point) of life with an invitation to relax and listen to your body and mind.

The specifications shown indicate the outer edge dimension and the inside bathing capacity dimension measured at air jets' height. The manufacturer accepts a 1/4" [0.64 cm] variance. There are variations on each product and specifications are subject to change as we improve upon our product as required. The dimensions needed for site preparation and structure building will differ. BainUltra® assumes no responsibility for preparatory work done prior to the product being on site.
